FAIR GROUNDS ASSURED

"Our Town" by J. B. White

To encourage business, we need the little old red stamp back. It is a harmful thing to do anything that hinders business enterprise. If concerns feel that it costs too much to send out letters to their customers asking for trade, they will stop sending out such reminders. This means that they fail to get their usual business, and employees lack work.

It is of course possible that postage receipts would have dropped if we still had the two cent rate. But it should be clear that a great many firms have slowed up on canvassing for trade through the mail, as the result of too high postage cost.

Also it is well known that many corporations that formerly used the mails, now deliver bills and other matters by hand. A great many people are sending messages on postal cards which formerly went under a two cent stamp.

The government was always said to be making money on its two cent stamps. It does not seem advisable when a rate is too profitable, to jack it up still higher. The people feel that three cents is too much to pay for sending a letter. When that feeling exists, the higher rate is bound to slow up the sale of these stamps.

What a marvelous thing is that little brown seed that you bury in the dull earth, but which soon springs up, and grows into a beautiful or productive plant! The strangeness of the thing so impressed the Savior of mankind, that he dwelt in one parable upon the mustard seed, the least of all the seeds of his country, but which grows up to become a tree and the birds build their home in it.

How can all the spreading branches and leaves and flowers and fruits of your plant or vine be packed into that microscoptic atom? So nature works her wonders day by day, and many say there are no miracles.

The toilsome farmer or gardner planting his seeds has no time for imaginative reflection. But he knows that to get a good plant, he must have good seeds, well grown and selected and free from weed adulteration. Give nature that germ of power to work with, and her sun and rain will do the rest, though man may have to exercise his muscle with the watering pot or hose.

The persistence of the farmer and gardner in sowing the seed year after year, in spite of all discouragements, reveals the never failing energy of our people.

What is spring Fever? What is that languid and restless feeling that seizes hold of so many folks, as the birds sing their greeting songs, and the trees and shrubs burst into foliage and bloom?

To hear the stern old-timers talk, you might think it was just laziness, a desire to lead vagrant and roving lives, the sentiment that makes you hate to tie yourself up to a bench or desk.

Cold weather draws your nerves a little tighter, and when the mild days remove that stimulus, the body slumps. It is a bit like a violin which makes beautiful music when tuned to pitch, but when the strings are less tight, it gives out only a discordant wail.

Man's nature is more or less roving. It comes from our ancestors all of whom wandered far away from their former homes. The modern person should not be too severely blamed if spring fever and the call of the

TWO NAMED TO AGE PENSION BOARD HERE

Raliegh Storey of Marlow and G. M. Houston of Minerva have been appointed investigators for the old age pension administration in Milam County.

These appointments were made from Austin. In a letter to County Judge Jeff T. Kemp here Thursday from these two Milam County men, it was said 731 of the Milam county applications had been approved.

Mr. Story and Mr. Houston will be in this county again soon for investigations.

For Governor

ROY SANDERFORD, Candidate for Governor— Stands for Payment of Old Age Pensions as voted by the people; Health and Education of the Youth; Equal Taxation and Equal Opportunities for All.

Sanderford Enters Race for Governor

Senator Roy Sanderford of Belton is a candidate for Governor of Texas and has announced an interesting platform. He advocates a sales tax to pay the old age pension and would exempt property tax from taxation for state purpose.

The following is his announcement:

TO THE PEOPLE OF TEXAS:

In announcing my candidacy for Governor subject to the Democratic Primary, July, 1936, I wish to make the following statement:

I am a native of Bell County, Texas, and am in my 41st year. I have had fair educational advantages in the common schools, Wedemeyer's Academy, from which I graduated in 1914, and was for two years a student in Baylor University of Waco. I taught a rural school for one year. In the fall of 1917, I voluntarily enlisted for flying duty in the United States Air Corps in which capacity I served for 21 months.

I am married and have three children, all within the scholastic age. I have been a member of the Baptist Church for over twenty years. I served for two terms as tax collector of Bell county and have been in the automobile and associate lines of busi-

Scout Court of Honor March 6

Judge W. G. Gillis, chairman of court of honor for Milam County Boy Scouts, has announced that the first district court for 1936 will be held in Cameron at the high school auditorium on March 6th, 7:45 p. m.

Awards will be made to members of Troop 52, sponsored by the Knights of Columbus, and Troop 53, sponsored by the Masonic Lodge, for advancement to higher rank. Troop 59 of Milano and Troop 63 of Thorndale are also expected to have scouts qualifying for badges.

The "arch of boy life" will be built to show the growth of a scout. This arch takes into consideration the scout's early life and his school life, as well as his scouting activities and continues his growth until manhood.

The troop traveling the greatest number of miles to attend the court of honor will be awarded an attendance banner. This is based upon the number of miles traveled and the number of persons representing the troop.

B. P. Matocha Goes To Houston For State In Case

B. P. Matocha who is attorney for the Securities Division in Austin was in Houston last week representing the State of Texas in a case attacking the constitutionality of the Securities Act before a three Judge Federal Court.

The case was submitted on briefs by both sides, and a decision is expected within the next three weeks.

CHEESE PLANT NOW OPEN

NEW INDUSTRY GROWING FAST

The Kraft-Phoenix Cheese Corporation opened its newest Texas plant here Monday March 2.

Cameron was celebrating its 100 years as a city and fully appreciating the growth and progress that has come with the construction of this piant for the improvemnet of farm income.

B. M. Alexander, manager of the plant, was happy to have received 2422 pounds of milk on the first day and that despite bad weather conditions. Each day since the opening of the plant the receipts have been about the same.

Eight trucks are on routes. They are as follows: Kirk, Hanover and Milano; Ramsey, Branchville; Rally, Rosebud; E. E. Pool, Jones Prairie; Cherry, Rockdale; Sutter, Marakville and Triggs, Buckholts and Yarrellton.

Butter Fat prices were good in the city and indications were that milk production will be greatly increased within a few weeks.

GEO. MAYO NEWTON FOR THE LEGISLATURE

George Mayo Newton is a candidate for re-election to the office of representative in the Legislature of Texas which he now holds, he announced for publication here Tuesday.

Mr. Newton, serving his first term, was elected to the House in 1934. In offering for re-election he presents an unusual record. All pledges have been kept, he says and it is upon this as well as his generally good acounting as a member that he offers for a second term.

Mr. Newton declared in making his announcement that he considers

LUMBERMEN TO MEET HERE ON MARCH 9

Lumbermen from District 16 will convene in Cameron Monday, March 9. The convention is brought to Cameron by R. P. Fisher of the Jeter Lumber Company who extended the initation and made the plea at a recent convention in Austin.

Mr. Bickett, secretary of the State Association, will be the chief speaker in the one day convention here.

John Jeter of the Jeter Lumber Company, is assisting Mr. Fisher in arranging the program for the meeting and entertain the delegates while in Cameron. It is the first time the convention has met in this section of the district.

REORGANIZATION OF COUNTRY CLUB HERE

Reorganization of the Cameron Country Club was agreed upon at a stag party Tuesday night attended by 25 business men, it was announced by Stanton Dossett Wednesday morning.

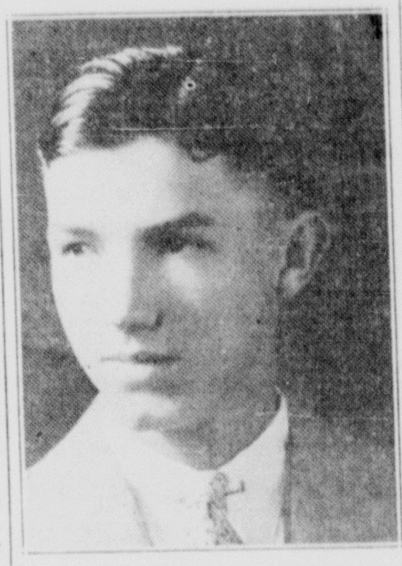
Financial difficulties have long besieged the old organization. Revenues from the club have not been sufficient to maintain it.

Dr. James Watson was named chairman of the committee on reorganization.

A canvass will be made to enroll new members and to enlist support from original members. The Club's 9 hole golf course has been a big attraction in Central Texas.

Mr. Dossett, along with others, is hopeful that re-organization can be realized and the club assured as a future asset to the people.

To Cincinnatti



CARROLL GREEN

Mr. Green left Cameron at noon Wednesday for Cincinnatti, Ohio, on a business mission for the Leland Green Funeral Home in Cameron. He will drvie back in a new LaSalle funeral coach to be used in the service here. This equipment is the most modern that can be purchased in America and the only one of its kind in Milam County. With Mr. Green on the trip is Wesley Majors who will drive a coach back to Rosebud. They will visit Chicago on their way up.

Car Red Top Cane Seed Shipped To Market From City

To the Green & Boedeker Stores in Cameron goes the distinction of having shipped the first car load of Red Top cane seed from Milam County.

This car was shipped Saturday from the store and the cargo weighed 52,000 pounds. It was the first car of cane seed ever shipped from the county and one of many car loads of farm commodities shipped by the Green & Boedeker store this year.

The store is a large buyer of farm produce. Many cars of stuff have been shipped since last fall's harvest.

As usual the big stores offer you bigger bargains this week in a big sale of foods and hardware. The Herald carries this message to thousands this week.

Mr. Green said that the store has experienced a renewed business activity and a greater volume of business to start off the month of March.

L. A. Svetlik Will Be A Candidate For Commissioner

L. A. Svetlik authorized the Herald to state that he will be a candidate for Commissioner, beats numbers six and seven in Precinct No. 1, comprising the towns of Buckholts, Yarrellton, Marak, Ben Arnold and Burlington. He will announce in the next week's issue of the Herald.

Mr. Svetlik, a lifelong resident of the Buckholts Community, will make a formal announcement in this paper. Mr. Svetlik is a well known citizen and his friends have given him encouragement to make the race.

CITY GIVES PLAN O. K.

Approval by the city Council Tuesday night gave speed to plans initiated here to build a permanent exhibit center for fairs and other activities.

John C. Baldwin, prime mover for the program, said already 15 acres of land has been located and purchase is certain.

The federal government will contribute $8000 to the project which is to cost of $11,000 and will house all exhibits for the annual fair. Thus it seems Cameron is about to realize a long cherished desire to have a fair ground.

CHAMBER COMMERCE BANQUET MARCH 10

Annual Banquet and election of officers of the Chamber of Commerce will be held Tuesday night in the basement of the Methodist church.

Dr. Jockel, Presbyterian leader, will address the business men. Rev. O. C. Acrey, will be toastmaster.

Rev. Acrey announced Wednesday that the Tamburitza, a musical organization from St. Edwards University in Austin, will make the music for the occasion. They will present a play at the school that afternoon.

The annual address of John B. Henderson, president of the Chamber of Commerce, is now in the hands of printers. Ballots will be mailed out and the results of the poll will be announced at the banquet.

LATE NEWS FLASHES

RURAL POWER LINES

Rural dwellers in Milam county will get light from government sponsored generating systems at Temple. Texas Power & Light Company had already begun rural development. The new company is the first of the Roosevelt utilities in this area.

Suggests Stories of Early Days Here

The Herald greatly appreciates a letter from Carl Hertenberger, a reader who suggests that stories of early settlers be published to heighten interest in Centennial year.

Mr. Hertenberger suggests we ask readers to express themselves and also invite those who have stories of early days to send them in. Stories such as about Indian massacres, Indian fights, old towns and pioneer settlers and their families are suggested by Mr. Hertenberger.

The publishers will be glad to have such material for publication.

49 Year Old Building Will Be Demolished

By BERENICE McCLAREN

On March 12, the Commissioners' Court will receive bids for the removal of the two story building on the north east corner of the court house square. This building has been occupied by the county tax collector for many years.

Citizens of Cameron and Milam county are receiving this information with interest, believing that the destruction of this building will greatly improve the appearance of the court house square.

This two story building has given 49 years service to this county, being contracted for construction in June, 1887 at a cost of $3939.72. It was used as a county clerk's office and for county and district court, at that time. A. J. Lewis was sheriff then. Lewis was the father of Jack Lewis of this city. Jack Lewis served this county for a number of years as district attorney and held the distinction of being one of the most brilliant and shrewd district attorneys that ever sat in court here. He is practicing law now.

The county commissioners forty-nine years ago were: A. S. Ruby of Precinct No. 1; T. W. Harrell of Precinct No. 2; J. M. Little of Precinct No. 3 and J. W. Blackburn of Precinct No. 4. Ruby was the father of C. H. Ruby, who now lives in this city. Harrell was the grand-father of

W. R. Poage Runs For Congress Post

Senator W. R. Poage of Waco, widely known member of the Texas Senate and for six years a member of the Senate from the 13th District of which Milam county is a part, is a candidate for Congress from the 11th Texas District to succeed Hon. O. H. Cross who will not run for re-election.

Following is Senator Poage's announcement:

TO MY FELLOW CITIZENS OF THE ELEVENTH CONGRESSIONAL DISTRICT:

Twelve years ago, I announced as a candidate for representative in the state legislature. The people of my home county honored me with election over a very splendid man. Since that time I have been honored with promotion, and for the past six years I have represented my district in the state senate. I have spent approximately one-third of my life in legislative work, and prior to that time enjoyed a number of years of academic training in Baylor and the University of Texas preparatory for this work. I feel that I am qualified to take the next step—into the United States Congress. At least I have had

ness continuously since 1923. I am not a lawyer. I was elected to the State Senate from the 21st District over two worthy opponents in the first primary in July, 1932.

When I am elected I shall respect the constitutional rights of the people to have a governor who will stay on the job, co-operate with the legislature and will neither squander the people's time nor abuse the opportunity for service by continually engagl ing in social, political and pleasurable affairs. I will not use the powers of the office to place my relatives on government payrolls.

I favor:

First. A substantial reduction of Government expenses and where conditions will justify I shall, if necessary, use the veto power to reduce appropriations twenty-five per cent.

Second. A three per cent retail sales tax for the purpose of paying the Old Age Pension and take the place of the present real estate taxes for general revenue, schools and Confederate Pnsions.

Third. I am opposed to any state income tax, as the Federal Government has already preempted the income tax field. It would be a wise state policy to prohibit enactment of such a tax by constitutional amendment. This would invite new capital to our state, result in the development of industry and the employment of more labor than perhaps any other one thing that could be done.

Fourth. I favor a graduated land tax for county purposes beginning with small valuations. This will increase opportunities for home ownership and tend to discourage the holding of large tracts of land for seculative purposes.

Fifth. I favor a reasonable chain store tax provided it treats everybody alike and does not exempt any special class of business.

Sixth. To promote employment, I favor a constitutional amendment exempting from taxation all textile, leather, paper and woolen mills, and other similar factories for a period of twenty years that have 50 or more employees.

Seventh. I favor the right of suffrage being extended to any citizen on the payment of a small registration fee in lieu of our present poli tax.

Eighth. I subscribe wholly to the principles of local self government with the enforcement of all laws administered honestly by local authorities and with the backing and cooperation of the state government.

Ninth. I believe that labor has the inherent right to organize and bargain collectively through representatives of its own choosing.

Tenth. Since the people of Texas have voted repeal, I favor the passage of such laws as will insure strict regulation of the liquor traffic and reduce the evils of this trade to a minimum.

I shall conduct an active campaign and for the present will be my own manager. I shall be pleased to hear from all interested voters from over the state who may address me at Austin, Texas.

ROY SANDERFORD.

METHODIST CHURCH CHOIR LEADER RESIGNS

Mrs. Alex J. Triggs who has been director of the choir at the First Methodist church here for several years, has resigned her position as director in order that she may give her voice a needed rest. Mrs. Triggs possesses a beautiful soprano voice and will be missed from the choir by the congregation and choir. Mrs. F. R. Dunlap who has been a faithful member of the choir for years, was elected director, taking the place of Mrs. Triggs during her leave of absence. The congregation is delighted to have Mrs. J. L. Clinton back as organist at the church after a few months leave of absence. For a number of years Mrs. Clinton has been official organist at the church. She teaches piano and voice at Yoe High school.

MUSIC CLUB

Sacred music was studied by the Music Club at its meeting on Wednesday. The following numbers were rendered: "Abide With Me," played by Mrs. Francis Cox; "Standing in the Need of Prayer," sung by little Nancy Jane Newton and accompanied on the piano by her mother, Mrs. Guy T. Newton; "Goin' Home," played by Mrs. Henry Sapp; "Face to Face," sung by Mrs. G. E. Sutton and accompanied on the piano by Mrs. Sapp.

Mrs. W. G. Harsha was leader for the club. Miss Lucille Dickard and Miss LanNelle Love were hostesses at the home of Mrs. W. O. Triggs.

HISTORY CLUB

The History Club met on Tuesday with Mrs. Jeff T. Kemp as hostess and Mrs. Jim Coleman, leader.

Roll call was answered by the members giving notes on art and artists. Mrs. Coleman gave a talk on Contemporary American Art.

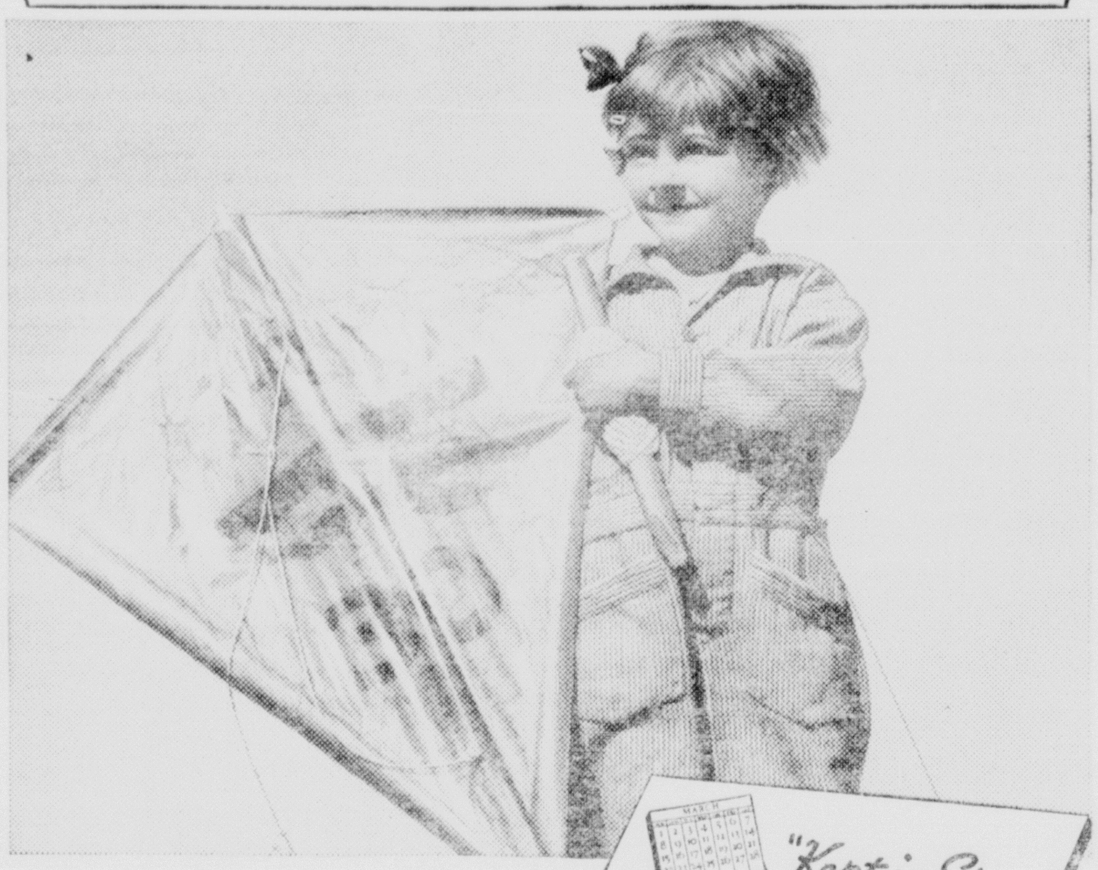
The hostess carried out a George Washington motif in decorations and refreshments. Guests of the club were: Mrs. John Jeter, Miss Mollie Moore, Mrs. J. Coy Williams and Mrs. A. J. Aikin.

Hansford Berry, grain man and druggist of Rogers, paid a visit to Cameron Tuesday. He was accompanied by Bob Bullock and Zack Ray, well known farmers of Rogers.

John T. Baldwin visited his son, John R. Baldwin who is a student at Rice Institute. John has been sick with flu but but was improving when his father left him.

Mr. and Mrs. John R. Hays and family have returned from Brownwood where they visited a brother of Mr. Hays who is ill with pneumonia.

Why Gulf is the Gas for March



MARCH MEANS WINDS to most folks. But March brings higher temperatures, too. Average temperatures are up 5 to 13 degrees over February. If a gasoline isn't made to suit the season, you don't get the best mileage. Try That Good Gulf—it's refined to give you top mileage *now*. Because Gulf is "Kept in Step with the Calendar," *all of it goes to work ... none of it goes to waste!*

Have you noticed the trees that have been recently planted on the campus of Yoe High? If you haven't you would do well to do so. Although our spacious grounds are well decorated with flowers and hedges, they will be much prettier after the trees grow and add their leafy beauty to their present landscape.

A young tree is easily killed. Indeed ideal arounrd a school, because a student may accidently or intentionally injure the young plant. Let's be careful not to harm the trees when on the campus. If you feel inclined to willfully destroy a young plant, remember its future beauty. For a while our motto should be "Student, spare that tree!"

NEW CORN VARIETY TO BE PLANTED

Yellow Surcropper, a new variety of corn recently developed by Dr. P. C. Manglesdorf of the Texas Experiment Station, will be planted by Cameron students of Vocational Agriculture this year for the first time. Development of the new strain began in 1927 but it was not perfected until 1935, and seed became available this season for general planting. Raymond Laywell and William Canady will plant approximately an acre of the new corn. State registered seed were secured, and the new corn, if grown under state inspection and rules, may be sold as state-certified planting seed next year. Farmers who may be interested in planting this new corn next year should see one of these boys or E. D. Parnell, Vocational Agriculture teacher.

The Texas Station, under Dr. Manglesforf, has established yellow color which gives vitamin A, in white Surcropper without losing any of its characteristics. Thus, farmers now have the high yielding and quick maturing qualities of Surcropper combined with the desirable yellow corn that most farmers demand in a corn variety.

Honey June, a new variety of sweet corn also developed by Dr. Manglesdorf, is also being planted by a number of the Vocational Agriculture students this year.

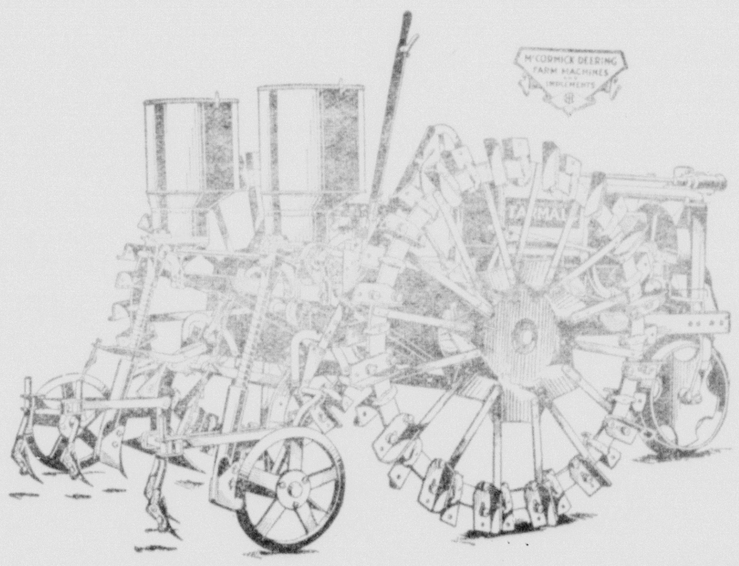
The FARMALL Way is the Modern way to plant Cotton



The McCormick-Deering Farmall 12 Tractor and F-67 Planter mounted on it has made a big hit with cotton growers. The F-67 is a 2-row, direct connected, power driven planter, easy to mount or remove from the tractor. Each planting unit follows the ground independently of the other, assuring uniform planting depth regardless of variation of height of the beds.

Seeding mechanism is thrown into or out of gear automatically. A clutch protects it against damage should hard substances get mixed with the seed. Hoppers have a large capacity and are of the single seed plate type. Regular plates permit 13, 19, 27, 36 or 40 pounds of seed to the acre; special seed plates increase this to 50 to 75 pounds an acre. Corn and Kafir corn plates are supplied regularly and equipment can be obtained for planting beans, peas, peanuts, and other seeds.

Let us show you this McCormick-Deering Farmall Planter.

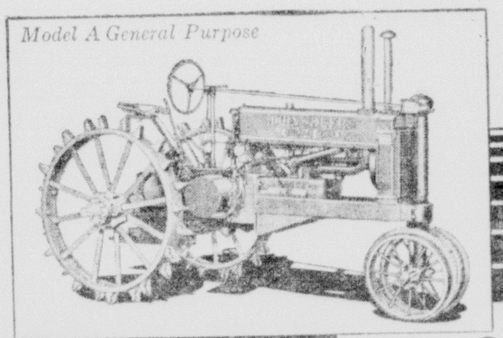
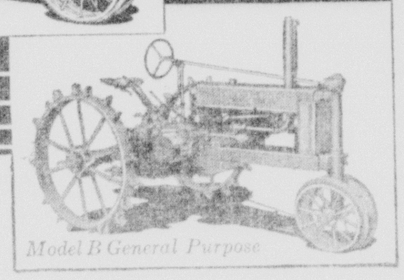
Model A General Purpose





Model B General Purpose

If You Haven't Seen These Two New John Deere General Purpose Tractors .....

We know what you'll say when you see them—just what everybody else says—that John Deere has set an entirely new standard for row-crop tractors with these outstanding new models.

The Model A General Purpose is a two-plow tractor for handling all types of work on the average-sized farm. It is a light-weight tractor with adjustable wheel tread; centered hitch in plowing; full-view, effortless vision in cultivating; easy, positive steering; platform and seat for standing or sitting, and four forward speeds.

The Model B General Purpose is for the lighter farm jobs. It is a smaller brother of the Model A—pulls a one-bottom plow, a two-row cultivator—the latest addition to the John Deere quality line of money-saving, two-cylinder, distillate-burning tractors.

Come in and see for yourself what remarkable values these new tractors offer you. One of the two sizes will fit your needs.

San Gabriel Farm Students Have 52 Projects For Year

Eighteen boys taking Vocational Agriculture at San Gabriel have a total of fifty two projects, according to N. A. McNeill, Vocational Teacher at San Gabriel. These projects include a wide range of both crop and livestock projects. Eleven boys are cultivating a total of 27 acres of cotton and six boys are cultivating 15 acres of grain sorghums.

In the livestock field the boys have four hundred chicks to feed for broiler production. They also have nine baby beef animals to feed out, as well as eight pigs to fatten. The boys have six ewes to be used for lamb production and seven sows for pig production.

This program will acquaint them with crop production which is predominating in the cotton belt but will also give them the experience in caring for livestock.

SILO DISCUSSED AT NIGHT FARM MEETING

How to dig, fill and feed from trench silos was the subject for discussion at the Maysfield evening school for farmers held Monday night. Fourteen farmers and farm boys were in attendance. The improvement of permanent pastures was chosen as the subject for next weeks meeting.

Hegari, kaffir or Red Top cane are the best crops for the silo since they yield more per acre, the group agreed. Trench silos may be made small enough for a herd of 10 cows or as large as desired. A milk cow needs 20 to 30 pounds of silage a day when grass is scarce and a cubic foot of silage will supply this amount, it was said. Spoiled, mouldy or otherwise damaged silage should not be fed. Smoothing the walls, using lots of water, packing the silage thoroughly and covering well will help to keep losses low, those present agreed.

Next week's meeting will close the evening school program at Maysfield for the year, E. D. Parnell, teacher in charge, reports.

Women Who Have Pains Try CARDUI Next Time!

Miss Clara Seidl and Frank Johns Marry in City

Miss Clara Laura Seidl became the bride of Mr. Frank J. Johns February 11 at St. Monica's church in Cameron at 8:30, with Rev. Geo. Apel reading the ring ceremony. The bride was dressed in an ankle length white ripple crepe dress and veil with a wreath of orange blossoms and carried an arm bouquet of fern and pink carnations. Her bridemaids were her sisters, Lucille and Albertha Seidl, who wore dresses of pink and blue silk crepe with white accessories. Their attendants were Adolph Johns, the groom's brother and Raymond Geurgens. After the ceremony dinner was served at the home of the bride's parents. All those present during the day enjoyed the entertainment at night. Mr. and Mrs. Johns will make their home near Ben Arnold.

C. M. Beard Gravely Ill At Milano Home

C. M. Beard is critically ill at his home near Milano and under treatment of Dr. W. R. Newton, Jr.

Mr. Beard suffered a paraetic stroke some weeks ago and had brain hemmorage, it was announced. His condition is grave.

Mr. Beard was formerly a member of the Legislature from Milam County and had been a leading citizen in the county for many years.

Mr. and Mrs. D. E. Moore, Mr. and Mrs. Carl Pullin and young son of Runge were guests in the home of Mr. and Mrs. E. D. Parnell Saturday night and Sunday. Mr. Moore is superintendent of the Runge public schools and is president of the South Texas Division of the State Teachers Association.

Mr. and Mrs. Steve Marak, Jr., and Mr. George Matocha carried Miss Agnes Matocha to Bryan Wednesday, where she will nurse.

Mr. and Mrs. Lincoln Mondrik and Mr. and Mrs. Steve Marak, Jr., shopped in Temple and Waco last Thursday.

Cameron Student At A. & M. Gets Honors

Nearly four hundred students at Texas A. & M. College are eligible for rank of distinguished student, records of the registrar's office show. Of this group one is from Cameron. Eligibility for distinguished student is based on first semester grades, which fall in the higher bracket, with C the lowest possible mark, and the accumulation of the necessary grade points.

The student from Cameron eligible for this honor is J. T. Terry.

Mrs. Martha Smith, 98, Oldest One To Ask For Pension

Mrs. Martha Smith, 98, applied for the old age pension in this county this week.

She is the oldest pensioner to apply thus far, according to County Judge Jeff T. Kemp.

Mrs. Smith was born in Grimes County. At present she lives with Mr. and Mrs. Coleman, grandchildren and son in law, John Williams, at Big Lump.

Mrs. Smith is the daughter of a prominent pioneer family. Her parents were Mr. and Mrs. W. H. Walker. Her father was a pioneer Judge of Milam county.

YARRELLTON WOMEN'S CLUB

The Yarrellton Women's Home Demonstration Club met with Mrs. Frank Barrett February 26 for a program on Good Manners, with six members an d2 visitors present. Mrs. Chas. Russell gave a talk on Mother the Hostess of her Family, and Mrs. Hattie Wallace gave a Parlimentary drill.

After a round-table discussion it was decided that the program and finance committee should select a play and try to arrange to put it on.

The next meeting will be on March 4 at the home of Mrs. John Foster, when Miss Fulerod, the County Health Nurse will give an interesting talk. The public is cordially invited to attend this meeting.

MOTHER! don't experiment with your Child's Cold

Often, "mere colds" have serious consequences. It is dangerous to neglect a cold—equally dangerous to experiment with half-way measures.

Feel safe! Use Vicks VapoRub—the proved *external* method of treating colds. No risks of constant internal "dosing", which so often upsets delicate digestions and lowers resistance when most needed.

DOUBLE DIRECT ACTION

Just rubbed on at bedtime, VapoRub fights a cold *direct—two ways at once*—by stimulation and inhalation. This combined poultice-vapor action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion. Often by morning the worst of the cold is over.

Refreshing Relief When You Need a Laxative

Because of the refreshing relief it has brought them, thousands of men and women, who could afford much more expensive laxatives, use Black-Draught when needed. It is very economical, purely vegetable, highly effective. . . Mr. J. Lester Roberson, well known hardware dealer at Martinsville, Va., writes: "I certainly can recommend Black-Draught as a splendid medicine. I have taken it for constipation and the dull feelings that follow, and have found it very satisfactory."

TEACHERS' MEETING AT COLLEGE STATION

The entire faculty of San Gabriel High School attended the Teachers' Meeting at A. & M. College, Monday. They reported an enjoyable time. The following program was rendered:

The Texas song, "Texas, Our Texas," was the first number. A welwas given the teachers by Dean T. D. Brooks and was followed by a response by M. B. Thomas, the youngest County Superintendent in Texas. The Texas songs were given by Miss Nell Parmley and S. O. Murdock. Our music teachers say that they enjoyed this part of the program best, because it helped them in their music. Many songs were sung that we had been singing here at school, and it proved that we were "keeping up" with our singing so to speak.

The Hearne Glee Club songs proved interesting also. Talks: "Our Curriculum Program," delivered by Mr. Matthews; "Curriculum Extension Program," by G. B. Wilkerson, and "Curriculum Work in Brazos County Rural Schools," by Mrs. F. L. Sloop, were very interesting and benefical to our teachers.

We learn from our teachers that the activity program which we are partially attempting this year is closely akin to the activity programs sponsored by other schools. We are doing very similar work in each of the departments. This meeting, however, gave the teachers new ideas as well as encouragement in their respective fields.

Teachers for Milam, Madison, Grimes, Washington, Leon, Burleson, Robertson and Brazos counties were represented at this district meeting.

GIRLS' ATHLETICS CONTINUE

Now that basketball season is over, the girls are endeavoring to keep their sport colors flying high through their efforts at volley ball and tennis.

There has been continual practice daily in each of these events, and it seems that the elimination is going to be very thrilling to the participants as well as the spectators.

It seems that all the girls from the entire student body are participating in some event.

Those playing tennis or volley ball are very anxious to show the people that they have winning teams.

DECLAMATION AND STORY TELLING TRY OUT MONDAY, MARCH 2

It takes work and time on the part of both teacher and pupil to study and prepare for Interscholastic League events.

It is commendable to both teacher and pupil that we have as many trying out for the various events as we do have. We have thirty five trying out for various divisions of declamation. We have the entire second an dthird grades practicing on story telling, but the number to enter the final try-out will be eliminated down to six pupils.

We invite you to come and listen to the declaimers and listen to their splendid orations, and hear some stories retold on Monday, March 2, at 7:15 P. M.

JUNIOR BASKETBALL GIRLS PLAY IN TOURNAMENT

The Junior Girls' Basketball team went to Rockdale Saturday, February 15 to enter the Junior Tournament. The gripping south wind, which usually hinders basketball playing, seemed to put more energy into these youngsters, and they gave their best.

A "bye" was drawn, and the San Gabriel girls had a long wait before they could play their game with Yarrellton, the winner of the first round, and incidentally the winner of the county.

The following girls played during the game: Helen King, Zanie McDaniel, Doris B. Andrews, Era Van Andrews, Roberta Daniel, Marie Mertz, Mary N. Worley, Doris Garner, and Lou Gene Willie.

The girls started playing from the very beginning, and played to the very last. These girls showed promises of a good Senior Basketball Team next year, and we are proud of their showing.

PARTICIPATION AND CO-OPERATION

Every body is elligible for participation in every phase of life. It matters not in which class you are, but what really does matter is the way you try to participate in this phase of life. When you are participating, do you put forth your very best effort, or do you just sit by and let your mind function on its own accord? Your mind is capable of putting you to the very top. It always helps you. No matter what your task is.

In every game of life it is not a one man's job; some where some one has helped, or is helping in some way Resolve now to be a co-operator in all that you do.

Let us look for a minute, at those who are participating for the coming events in the County Meet. Each one of these students is co-operating with another, and it had to be done in order to place among the best. No one person can do anything successfully alone.

Now that we have learned that to participate we must co-operate, let us be one who is working just a little harder than the other fellow. in that way we can all reach the top with little difficulty.

PIRATES' ATHLETIC REPORT

There has been much activity in San Gabriel High School this week due to athletic events. The majority of the students in school are taking great interest in tennis, volley ball, and base ball.

The tennis elimination is being held and there are fourteen students participating. There are five senior boys, three junior boys, three senior girls girls and three junior girls. The winning teams will probably be called to Rockdale at any time to play a game.

The volley ball team is progressing rapidly. The team is very anxious to get a game(and although some of the girls do not have much strength in their arms, they expect to have a winning team.

The base ball teams are also progressing rapidly, both boys and girls. There are about fourteen girls and fifteen boys trying out for this event. Both teams have some good material with which to work, and these teams together with their coaches, expect to keep GABRIEL'S colors flying by gaining VICTORY and SPORTSMANSHIP.

COWBOY GIRL

The six graders have organized a cowboy club. We meet every Friday and at the first meeting we studied about the prairies and ranches and learned that the principal things that grew on such were grass and cactus.

The second week we studied about the cactus, and many varities of the cactus were brought to class for our exhibit.

At the meeting, we took up the study of the horse. We learned the kinds of horses, their temperaments, habits, and how we should treat them.

Our next study was on cows. We learned the difference between the dairy cow and the beef cow. We made a study of the value of each of these types of cows, and each was treated.

Our last study will be on cow boys' dress, mannerism, and songs and Miss Camp will give us a party.

The class has thoroughly enjoyed this cowboy project.

We have read many interesting stories and have had a real search for pictures which represent various part sof our study, and which went into the scrap book.

Our exhibit of the cowboy's ranch houses, the cows and horses is quite interesting, and we will be happy for you to come and see it

We are most anxious for each of our parents to come to our party. We plan to tell stories pertaining to the cowboys, and intend to sing cowboy songs and have a jolly good time with horses.

TEACHERS' MEETING

The teachers held their regular meeting Wednesday February 26. There was a further study from the Handbook of Curriculum Development. The program consisted of the discussion of the following topics:

Further Introduction of the Curriculum Development—Mr. Wood.

Plans of Organization and Procedure of Curriculum— Mrs. Culp.

The Development of Science Units and Grading Systems—Miss Wofford.

The Health Physical Education Program—Miss Camp.

The Fine Arts Program—Miss Griffith.

* * *

SPEECH PROJECT

The speech class has completed some miniature stages representing scenes from Lord Dusany's "A Night at an Inn." Ideas were obtained from Mr. Brown, representative of the Scenic Studios of Temple, Texas.

Eight units of Work have been completed and the members of the class will begin preparing their Director's Notebook to be used in directing an one-act play to be presented soon.

Recently the class as a body, accompanied by Mrs. Montgomery, Mrs. Norman, Mary Ruth Norman, and Miss Gilchrist, went to Taylor to see "A Tale of Two Cities" for use in writing characterizations. After the show, the class was guest of Miss Gilchrist for a "big red soda," excepting the boys, who could—or would—not enter the confectionery with the rest of the class, and had to take a bar of chocolate candy instead.

"RENTING JIMMY"

A comedy entitled, "Renting Jimmy," will be presented at the San Gabriel High School auditorium Friday night, March 6. The play is full of laughter, tears, humor and sarcasm. The characters are:

Carol White—A pretty college girl—Ruby Alta Starnes.

Madge Ray—Carol's cousin and a "jewel in disguise"—Irene Fulcher.

Jimmy Lambert—A handsome young suitor of Carol'sJ—Pete Conn.

Georgiana Moore—Pretty, rich and snobbish—Bernice Robinson.

Jeanne Day—Dorothy Anness.

Leila Day—Dorothy Worley.

Mildred Owen—Evelyn Garner.

Evelyn Scott—Frances Gambill.

Katherine Tracy—Marie Mertz.

Helen Goury—Allyne Faulkner.

Grace Welch—Helen King.

All are pretty college girls at Woodlawn College.

In addition to the play, a one act play "Fond Memories" will be given.

Eevryone is cordially invited to attend. Do not forget the date—March 6, 1936.

CAN YOU ANSWER THESE QUESTIONS?

What do some of the high school girls have up their sleeves?

Whose rouge was left in a black Chevrolet?

Why certain teachers have to leave dances early?

Why Dorothy Anness was given the "dumb" part in the play "Renting Jimmy?"

Who is going to win in declamation at the try outs, Monday night?

Why Bernice Robinson doesn't ever have to go to Detention Hall?

Why Mr. Wood drives an extra two miles every afternoon after school?

Why Miss Camp wears ancient shoes?

Why Ruby Alta Starnes is anxiously awaiting the week end?

Why high school girls are writing themes for something they haven't done?

Why Allyne Faulkner was lonesome last week end?

Why Irene Fulcher seems to be in such a good humor these days?

Why two certain girls are not interested in County Meet work this year?

Why Dorothy Worley talks so much (and never gets anything said)?

Why Evelyn Garner was so downhearted Saturday night about seven o'clock?

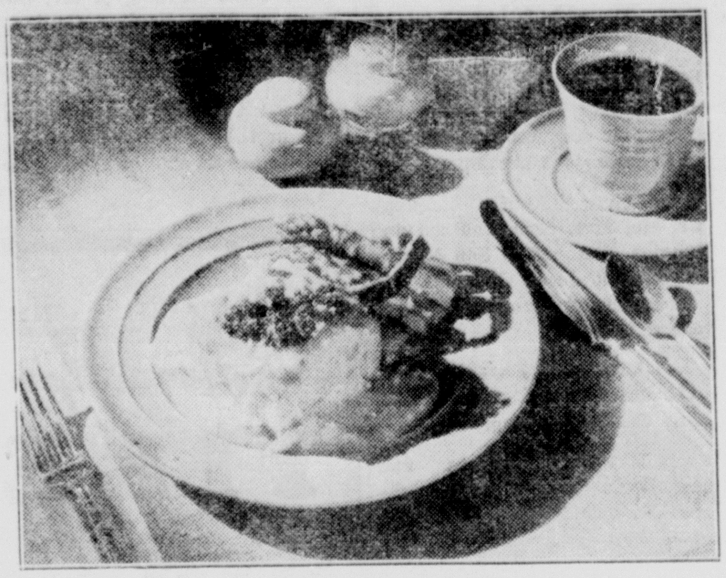
FOOD FASHIONS FOR LENT!



By MARYE DAHNKE, *Kraft Cheese Institute*

"And leap year makes it twenty-nine!"

Just as if twenty-eight days in February weren't enough for this business of meal-planning! With the Lenten season, and Leap year, and everyday budgets all to be considered at one time, this is just the season to add a few new special recipes to the cookbook, to help tide over winter days.

That staple commodity, cheese, is an ever-present aid in planning meals for the Lenten season—and for meals the year-around. Known for centuries as the perfect Lenten food, cheese has a way of transforming ordinary dishes. Sharp American or "Old English" cheese can be included in so many interesting ways in late winter menus that well-stocked pantry shelves should harbor a generous supply. The combination of fish with cheese is ideal for the season—and a happy pair to satisfy winter-whetted appetites. One of the most delicious of these is well-named, "Cheese and Crab Delight." It is attractive enough to serve as the principal attraction for a party luncheon, and substantial enough to form the main dish for a family dinner. A molten cheese sauce provides just the proper setting for delicately flavored crabmeat—and the resulting delicacy is as pleasant to the eye as it is to the appetite.

Cheese and Crab Delight

2 tbsp. chopped green pepper	1 cup cooked & strained tomatoes
2 tbsp. butter	1 cup dehydrated grated cheese
2 tbsp. flour	1 egg slightly beaten
½ tsp. mustard	¾ cup milk
½ tsp. salt	1 cup crabmeat
Dash of cayenne pepper	

Cook green pepper in butter for 5 minutes, blend in flour; add seasonings, tomatoes, cheese and eggs; cook a few minutes. Heat the milk before adding the other ingredients, then crabmeat. Serve on rounds of toast or crackers. Save 1 tablespoon of cheese to be sprinkled on top when serving.

Some additional main-dish Lenten specialties made with cheese are easily made as follows: They are destined to remain popular family favorites the year round.

Halibut With Cheese Sauce

2 cups milk	Salt, pepper, paprika
2 tbsp. butter	2 cups grated
4 tbsp. flour	American cheese

Make a sauce with the milk, butter and flour, seasoning to taste. When thickened, add the grated cheese. Arrange half-inch slices of halibut in a buttered baking dish, pour the cheese sauce around them and bake in a moderate oven, 350°, until the halibut is tender. Remove the fish to a crystal platter, surround with the sauce and garnish with parsley.

Macaroni Cheese Timbales

1 cup grated American cheese	1½ cups cooked macaroni (broken)
1½ cups milk	6 mushroom caps
2 eggs	½ pound all-milk cheese
½ tspfl Worcestershire sauce	Salt, pepper
Salt, pepper	

Blend well the grated cheese, milk, well-beaten eggs and seasonings. Divide the macaroni equally among 6 buttered custard cups and fill cups with the cheese mixture. Set in a pan of hot water and bake in a moderate oven, 350°, until firm. Unmold onto a platter, garnish each timbale with a mushroom cap, and serve with sauce made with the all-milk cheese, milk and seasonings cooked in a double boiler until cheese is melted.

Cheese and Vegetable Casserole

2 cups cooked spaghetti	3 fresh tomatoes
2 cups cooked peas	1 cup bread crumbs
1 onion chopped	Salt and peppef
1 green pepper, chopped	1 cup grated American cheese

Place half the spaghetti in a large baking dish. Mix the peas with the chopped onion and green pepper and place half of it on the spaghetti, following this with half the sliced tomatoes, bread crumbs and seasonings. Repeat with remaining ingredients except cheese. Cover the dish and bake it in a moderate oven, 350°, about an hour. Uncover, sprinkle with grated cheese and return to the oven for 10 minutes.

SALMON MOLD

Soak 2 tablespoons gelatin in ½ cup cold water. Then dissolve in 1½ cups boiling water. Cool. Add 2 tablespoons lemon juice, the contents of one 1-pound can salmon, skinned, boned and flaked. Chill until beginning to set, then fold in 1 cup mayonnaise and heap in a damp fish mold. Chill until set, unmold on chickory and garnish with quartered tomatoes.

Other equally attractive party dishes with salmon are easily made as follows:

SALMON CLUB SANDWICHES

Slice 12 pieces bread, ¼ inch thick to make 4 sandwiches, three tiers high. Toast bread as needed, making the 4 sandwiches at once. On first slices spread melted butter. Next a crisp lettuce leaf wiped dry. Next, slices of bacon crisply broiled. Next, dry portions of canned salmon. Next, place a slice of previously peeled, red ripe tomato. Sprinkle with salt, paprika and mayonnaise. Place another slice of toast on this filling and proceed as with first filling. On top of filling No. 2 place a third slice of warm toast. Cut off crusts and protruding filling with sharp knife. Cut each sandwich in two diagonally, and serve on individual plates garnished with lettuce leaf.

SALMON A LA KING

Simmer 1 can mushrooms, drained and 1 small onion, chopped, in butter. Stir in 2 tablespoons flour. Add 1½ pints milk and 2 egg yolks. Cook slowly until thick. Add one 1-pound can of salmon, shredded. Add 1 pimento, dash of lemon juice and paprika. Serve in patty shells or on buttered toast.

SALMON AND RICE CASSEROLE

Mix 3 cups cooked rice with 1 minced green pepper, 2 tablespoonfuls salt and one pound canned salmon, boned, skinned and broken into small pieces. Mix with 2 cups thin white sauce and pour into casserole. Bake in hot oven (400°F.) until brown and bubbling—about 25 minutes.

SALMON AND CORN SOUFFLE

Mfx one pound canned salmon, flaked, with 2 cups thick white sauce. Add lemon juice and Worcestershire sauce and season. Fold in 2 stiffly beaten egg whites, and pour half of the mixture into a buttered baking dish. Pour in 1 cup canned corn, sauted slightly, then the rest of the mixture. Cover with buttered bread crumbs and bake in a hot oven for 15 minutes. Serve with a pickle relish.

STUFFED SALMON

Place 3 slices salt pork on bottom of flat baking pan, arrange one-half pound canned salmon on it, shaped like a steak. Cover with dressing, and then another layer of the salmon. Put three more slices of pork on top and bake ¾ of an hour. How to make dressing: 1 cup breadcrumbs, ½ cup cracker crumbs, 1 small onion, sliced, ½ teaspoon salt, ¼ teaspoon pepper, 1 cup hot water, ¼ cup melted butter, 1 beaten egg, pinch of sage. Lightly brown the onion in the butter, add hot water, and pour this over the bread and cracker crumbs. Season, and stir in the egg. This will serve 6 persons.

ONIONS STUFFED WITH SALMON A LA MEXICANA

10 medium sized onions; 1 tablespoon finely chopped green pepper; salt and pepper; one pound canned salmon; 1 tablespoon melted butter; 2 eggs.

Boil onions for half an hour or until tender, drain, remove centers and fill with salmon, sweet pepper, butter and seasonings. Dredge each onion slightly with flour, dip into well-beaten eggs and fry in deep fat until a golden brown. Serve with tomato sauce.

BAKED SALMON AND SWEET POTATOES

Bake 6 medium sized sweet potatoes. Mash, season with salt, pepper and butter. Add ¾ pound of finely flaked canned salmon. Mix all together. Place in buttered baking dish, spread top with melted butter, garnish with ¼ pound canned salmon. Heat 5 or 6 minutes and serve.

SALMON PIE

Chop 1 cup canned salmon fine, add 2 cups riced potatoes and ½ cup milk. Put in greased baking dish. Spread with 1 egg beaten lightly. Cover with ½ cup cracker crumbs into which 2 tablespoons butter have been melted and sprinkle with ¼ cup grated cheese. Bake until brown.

Miss Kathleen Smith of Austin who is teaching school in Austin high school spent the week end here with her grandparents, Mr. and Mrs. N. H. Butts.

Miss Cill Stedman is a patient in the Cameron Hospital where she underwent an operation for appendicitis Friday evening. She is reported to be doing nicely now.

Mr. and Mrs. L. Gohmert are the Happy parents of a dear little daughter that arrived February 25 at the Cameron Hospital.

Judge and Mrs. Graham Gillis visited their son who is in school at Kerrville in Schriener's Institute, Tuesday.

Mrs. James Coleman and son, Jimmie, and Mrs. Jesse Brock and children are visiting in Corpus Christi.

Miss Helen Holcomb and Earl Garrett of this county were united in marriage Thursday afternoon at the court house. County Judge Jeff T. Kemp performed at the wedding ceremony.

UNDER THE COURT HOUSE DOME

By Berenice McLerran

County Clerk Homer Nabours several days ago was displaying an old record book of wills, dated in 1874. The writings are still legible. He said that the wills would probably be used in a law suit soon.

• • •

The lawn of the court house square has been plowed and leveled off. This was necessary due to the recent work on the basement. The lawn was disfigured in several places by trucks and laying of sewers.

• • •

Perhaps prisoners will not find it so easy to make their escape from the jail here. Sheriff Max Kennedy stated on Monday morning that the two wooden doors leading up to the attic had been taken out and a structure of brick and cement put in. Prisoners in making their escape would go through these wooden doors up into the attic and through a hole in the top that had been made in the jail several years ago.

Chaplin's new film is called "Modern Times." Many of us rather liked the medevial Charley, of "The Champion" and "Shoulder Arms."

Miss Pauline Collins of Waco Becomes the Bride of Leo Mohler of Cameron on February 25th

The marriage of Leo Mohler to Miss Pauline Collins, of Waco Tuesday evening, February 25th was a social event on Waco social calendar.

Pastel shaded flowers and ferns formed a spring background for the wedding ceremony which was performed by Rev. A. N. Wolff, of the Central Presbyterian church where the wedding was solemnized at eight o'clock.

Preceding the ceremony, Joseph Loving sang "Because" and "I Love You Truly," accompanied at the organ by Mrs. J. C. Leftwich, who played the processional and recessional, and played softly during the ceremony, "My Dear."

The bride was given in marriage by her father, and she wore an ivory satin gown fashioned in princess style, with short veil of illusion tulle, falling from a coronet. Her flowers were a shower bouquet of briarcliff roses and vally lillies. Observing the bridal sentiment, she wore a gold bracelet belonging to her mother and carried a bridal handkerchief which her sister, Mrs. Boyd Morrow used at he rwedding.

Attendants dressed in rainbow shades, made of taffeta in colonial style, and each girl carried a colonial bouquet of spring flowers. Miss Maurice Hooper and Mrs. Paul Collins, bridesmaids, wore yellow and pink frocks respectively, and Mrs. Morrow, matron of honor, was in blue.

Frank Mohler of Cameron, attended his brother as best man, and groomsmen were Paul Collins of Dallas and Richard Hefley of Cameron, who is living in Houston at the present time.

Following the ceremony a reception was held at the Collins home. Spring flowers centered the refreshment table where Mrs. Chester Moncure, of Smithville, presided at the ring shaped wedding cake. Assisting in serving were Mrs. B. Baldridge, Miss Mary Lou Griffin, Miss Olga Olson. Mrs. Edwin Eikel was at the bride's book. Following the short wedding trip, Mr. and Mrs. Mohler is at home in Cameron.

For her traveling suit the bride wore a navy blue spring suit with navy blue accessories.

Among the out of town guests from Cameron to attend the wedding and reception were: Mr. and Mrs. M. Mohler, Miss Catherine Mohler, Miss Maurine Leonard, Miss Hilda Burke, Mr. and Mrs. Joe Denson, Mrs. J. F. Howard, Mrs. R. E. Williamson, Mr. and Mrs. E. H. Lively of Dallas.

Mr. and Mrs. Mohler have gone to housekeeping in one of the Mohler apartments in East Cameron.

Miss Collins was a member of the younger society set in Waco, and was popular with a large circle of friends. The bridegroom was reared in Cameron, and enjoys an extensive circle of friends. He is employed at the New Cameron Drug Company; is the son of Mr. and Mrs. M. Mohler of Cameron.

—*that are incurred in rendering services and in furnishing necessary supplies.*

TO render banking services and to furnish checkbooks, deposit slips and passbooks costs money.

A well-managed bank ordinarily covers a large part of the cost of rendering such services to its depositors by employing their free balances in good loans and investments. This bank gives its depositors full benefit of this principle by conducting its business with maximum efficiency to keep its operating costs low. On small, or highly active accounts, which otherwise would not pay their way, a service fee is charged in accordance with sound banking principles. These principles will be fully explained by our officers on request.

enough legislative experience to enable me to become of real value in much less time than any one who has never had such experience, and at least, I am young enough to be active and aggressive. I was born in this district thirty-six years ago. It has been one hundred years since we declared our independence from Mexico, yet this district has never been represented in congress by a native son. Centennial year is a good time to elect a native born congressman.

In the state legislature I have tried to serve the people of the district I represented to the best of my ability. I have stayed on the job. I have never missed a single day during the years I have been state senator. I have carried on a fight, sometimes, almost singlehanded, to hold down expenses of state government. I have sought to relieve our property from taxation and I supported both the Homestead exemption and the abandonment of the State Ad Valorem tax. I offered a bill to shift most of our tax burden to the exporters of our natural resources, and in this way to relieve our own people, and at the same time to pay the old age pension for which I voted and which I think should be paid as soon and as generously as possible. I was one of those who did the actual writing of the state road assumption law, which saved the taxpeyers of this district several million dollars, and I joined in the drafting of every one of the Brazos River Acts, which with proper support in Washington, will bring many millions of new money to our section. And those acts have been held by the courts to have been constitutionally drawn. In short, I feel that I have been of value in the legislature. I believe I can be of greater value in congress.

I do not think that I am indispensable to the nation, the state, the district, or even to any special group or interest. I have not been forced into this race. I am not making any financial sacrifice in quitting my place in the state senate to run, but if I did not believe I could be elected I would not quit.

I have heretofore been before the people of this district. My views of public questions are generally well known. I advocate no radical measures. I am a democrat. I join with the president in a sincere effort to bring our country back to a speedy and complete economic recovery. I recognize that agriculture is the cornerstone of our prosperity. I believe in extending to agriculture a full measure of governmental assistance, at least equal to that extended to any other section or industry. I believe that this can be properly and constitutionally done a ssoon as congress takes the time to give some real work and study to the legal side of the question, which is being done at this time, as I cannot believe that this government can constitutionally protect one section or industry and deny it to the farmer.

My private life is also well known to our people. I am not a rich man, but I hope that I may be called an honest man. I do not have the means to enable me to publish all the announcements and avail myself of all of the advertising mediums offered me. I must look to my friends to carry much of the burden of this campaign. I cannot pay them or even promise to reward them with federal jobs. I have very little money and many more friends than I will have jobs, but I am conceited enough to think that there are citizens in all parts of the district who want a congressman who knows the legislative ropes and who will help elect him for the good of the district and of the government. I am, therefore, taking this means of announcing my candidacy for congress from the 11th Texas district. I will thank each of you for your active support and influence.

W. R. POAGE.

Cameron Woman Buried at Sharp Saturday Afternoon

Funeral rites were conducted Saturday afternoon for Mrs. Lon Leonard, 44, of Cameron in the Sharp cemetery. Rev. L. E. Strickland, pastor of the Rockdale Baptist Church, conducted the funeral. Mrs. Leonard died at her home Friday at 4 p. m., after a short illness. She was born in Mississippi and moved to this section of the country at an early age. They have resided in Cameron for the past ten years. She was an active member of the Baptist Church. Surviving are her husband, a daughter, Miss Maurine, and a son, Leon, seven sisters and two brothers. She will be missed by her many friends of the Sharp community.

Leap Year Dance

Saturday night, February 29, a Leap Year dance was given for the convenience of the bashful boys at the local hall. The main object was for the girls to ask the boys for a set instead of the boys doing the asking, however the boys had to pay the usual fee of 25c and the ladies free.

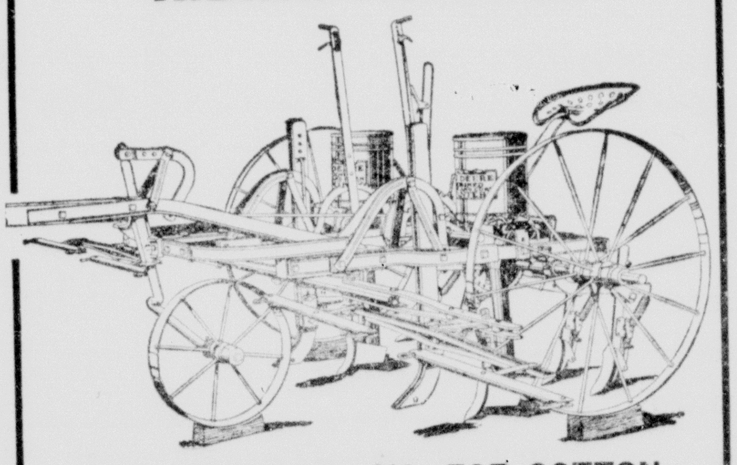
THE ACCURATE, TWO-ROW RIDING PLANTER



JOHN DEERE NO. 210—FOR COTTON, CORN AND PEANUTS

Here's the riding cotton and corn planter that was designed especially to reduce planting costs for Texas farmers. Its accuracy and its adaptability to all methods of cotton planting have made it a big favorite.

The John Deere Saw-Tooth Type Steel Picker Wheel picks out the cotton seed one at a time, or more if desired, in any quantity per acre. It picks out the lint and trash with the seed—no clogging in the hopper. Corn, sorghum, peanuts, and other crops are planted accurately by the use of John Deere Natural Drop Seed Plates.

Tongue truck relieves horses of neck weight and makes machine run steadily. Shovel openers and coverers have reversible points. Runner openers can be furnished in place of shovels if desired. Fertilizer attachment and press wheels can also be furnished.

The disfiguring feature in many back yards consists of little rickety and tumbledown chicken coops, woodsheds and other little buildings. Many places that look fairly well from the street have such down and out looking adjuncts on the rear of their lots. These eyesores are more visible than the owners realize, and they spoil the looks of scenes that otherwise would be pleasing.

A careful family will not tolerate such ugliness. If an outlaying building is capable of looking, they have it repaired and painted, until it seems a worthy part of the home. If it is too rickety to look well, they remove it. Every foot of their lots is given some definite use, and made attractive. Even if they keep chickens or carry on other work in their back yards, it is neatly and attractively done. Such places deserve a kind of community medal of honor.

the most important task confronting the legislature is the payment of the Old Age Pension. This he will work for and will make his major aim in the coming session of the House.

Mr. Newton was especially proud to receive recently an award for distinguished service in the House of Representatives from the American Legion for his support of the bill to provide for a Legion Memorial in Texas.

In the House Speaker Coke Stevenson has placed Mr. Newton on five important committees. He is vice chairman of the committee on Banks and Banking, a member of the committe on Education, Insurance, Public Health and Public Lands and Building. This assignment is considered excellent for a new member of the House.

George Mayo said: "I have kept every pledge I made to the people of Milam county. Nothing less would have meant justification of their faith and confidence in me in electing me to this important place in the House of Representatives. In the coming campaign I will discuss the things I consider important to accomplish in the coming session. I am vitally interested in the Old Age Pension law which I voted to enact. I want to see an adequate provision made for these aged of Texas and in Milam County and I want to see revenues provided for as quickly as possible so that not one will be denied early access to the support which the state they have loved and helped to make, owes them."

Mr. Newton was born and reared in Cameron the son of Dr. and Mrs. W. O. Newton. He graduated from high school and attended State University at Austin. He is one of the youngest members of the House and has made friends for Milam county. In asking for a second term he will have the advantage of past experience and pledges a better record of service.

Grady Stidham of this city, who is now serving as Commissioner of Precinct No. 2. At the time Little was serving this county as Commissioner he was also a Cumberland Presbyterian minister. Blackburn was the father of Tom Blackburn, who lives near Rockdale and operates a gin.

E. Y. Terrell was county judge in 1887 and John N. Henderson was district judge. Henderson was the brother of T. S. Henderson of this city, who has held and carried the Henderson name prominently through county, state and national civic and political realms. The county treasurer in 1887 was E. M. Bean. His daughter, Mrs. Estelle Caldwell now lives in this city. W. M. Baines was county clerk at that time.

13 FELONIES AMONG INDICTMENTS HERE

The Milam County Grand Jury for the March term of district court adjourned on Wednesday. After being in session three days, and examining 31 witnesses, the Grand Jury turned into court 13 true bills of indictment, all being of the grade of felony.

Following are the indictments in which arrests have been made: Marlin Smith, murder; Lorenzo Davis, burglary; Rheube Thomas, burglary; James Christian, assault with intent to murder; Julius Staten, two cases of felony theft; Shedwick McDaniels, two cases of felony theft.

Arrests have not been made in five indictments. These were cases of rape, kidnapping and felony theft.

W. R. Harris who lives on Route 1 out of Cameron, was a visitor in the Herald office Saturday to renew his paper. He is an old timer and has seen much progress. He came to Milam county in 1881. He lived in the old R. L. Batte home then known as the Green home and one of the oldest in the county.

Laxative combination folks know is trustworthy

The confidence thousands of parents have in good, old reliable, powdered Thedford's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer it when they outgrow their childish love of sweets. Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Thedford's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."

200 Acres Will Be Planted In Carrots

More than 200 acres will be planted to carrots in the Brazos bottom, it was reported by H. Riley who visited in Cameron Monday.

Mr. Riley who purchased a fine tract of land there two years ago will plant 50 acres in carrots, 2 acres in onions, 20 acres in cantaloupes and 20 acres in cabbage.

Mr. Riley has leased additional acreage and will plant 200 acres in cotton and corn. He purchased a Farmall tractor from the Mauritz-Baldwin Coporation in Cameron.

The A. M. Muller Company of Laredo have contracted for the output of carrots, Mr. Riley said. Mr. Riley is a Herald reader and is one of the best truck growers in Texas and a pioneer in the cantaloupe industry in this county.
